

**Isabella's Italian Trattoria**  
FRESH LOCAL FANTASTIC

Angela Brustle has been an employee of Isabella's for 2 ½ years. She is married and currently in her third year of nursing school at Liberty University. Angela's family is from Ukraine. Her parents moved to America just before Angela was born but her Aunts, Uncles, Cousins, are still residing in Ukraine.

Angela's family lives in three primary areas of Ukraine - Kyiv, Vinnytsia, and Cherkasy. All family members have worked very hard to make a living and build the post Soviet Ukraine. Right now, everyone is running for their lives or sheltering in place. A few family members have made it to Poland as refugees and will need resources to rebuild their lives. Others will need resources to rebuild Ukraine when the war is over. The infrastructure in Ukraine (roads, power lines, etc.) have been destroyed and will take decades to rebuild. The need for this family and Ukraine is tremendous.

We are establishing an "Angela's Ukraine Family Fund". If you would like to make a monetary contribution you can do so at the restaurant or by calling us 434-385-1660.

**Isabella's will be matching all donations received up to \$2000.00.**

Thank you of thinking of one of our valued staff members and her family at this most difficult time.
